

Dear Ms Nowicka,

Thank you very much for your input in the consultation on the Work Plan 2009 of the Community Health Programme 2008-2013. We received over 150 replies in the consultation, which have been analyzed and as far as possible taken into account when drafting the Work Plan.

Your proposals regarding sexual health partially fall within the scope of the priority actions we consider putting forward in the Work Plan.

We would like to invite you to consult the Work Plan 2009, which we expect to publish together with the Calls for proposals at the end of February 2009.

You will find information on the Work Plan at http://ec.europa.eu/health/ph_programme/pgm2008_2013_en.htm.
